WORK EXPERIENCE

UX Designer II

Jan 2024 - Mar 2026

CaratLane - A TATA Product

- Boosted user engagement by 40% through improved product discoverability and enhancements to CaratLane's Loyalty Program.
- Conducted in-depth user research and usability testing at CaratLane stores, resolving pain points and refining user journeys.
- Collaborated with cross-functional teams to design and implement features that increased customer engagement and conversions.
- Designed intuitive wireframes, prototypes, and high-fidelity interfaces aligned with business goals and user needs.
- Built a scalable design system from the ground up, ensuring consistency and efficiency across digital platforms.
- Advocated for accessibility and inclusive design, enhancing usability for diverse audiences.

Senior Product Designer

May 2022 - Nov 2023

PhonePe

- Increased user satisfaction by 15% by conducting comprehensive UX audits, A/B testing, and user research to address usability challenges effectively.
- Designed and implemented PhonePe's scalable design system, streamlining workflows and enhancing user efficiency across multiple products.
- Collaborated closely with stakeholders to iterate on wireframes, prototypes, and final designs, delivering a seamless and cohesive PhonePe user experience.
- Led the development of the PhonePe app's style guide, ensuring consistency, usability, and a user-centered approach across all touchpoints.
- Advocated for brand alignment by integrating user-centered design principles into all aspects of the product development lifecycle, enhancing the intuitive brand experience.

User Experience Designer

Nov 2020 - May 2022

Reliance Jio

- Led comprehensive UX audits for JioOnline, implementing user-centric improvements that increased app usage by 25%.
- Optimized information architecture and user journeys in JioOnline, driving a 10% boost in conversion rates.

- Conducted in-depth user research and A/B testing for JioLocal, significantly reducing the churn rate.
- Executed data-driven, user-centric design strategies in JioLocal, ensuring seamless user experiences and brand consistency.
- Collaborated with cross-functional teams in JioLocal to translate business objectives into intuitive and engaging UX solutions.
